INDEX OF MAGAZINE LUBRICATION

1949 THROUGH 1958

NOTICE: The following index of the last 120 issues is furnished only as a research convenience. As indicated below, extra copies may or may not be available. The full title and date of each issue is printed in heavy bold lettering: from two to twelve additional cross-indexed references are given in standard type. The ten annual issues of similar month are also grouped under the name of the month.

EXTRA COPIES: Extra copies are readily available during the month after issue, decreasingly so up to two years and only occasionally thereafter. Address requests to Mr. C. R. Frohlin, The Texas Company, 135 East 42nd Street, New York 17, New York.
